

Organization Information

Organization Name:	BookNook Inc.

BookNook is your comprehensive, turnkey solution for supporting your tutoring needs for K-8 Reading. As one of TEA's Subsidized Curriculum Provider, LEAs have the opportunity to access our network of 100,000 vetted tutors to deliver our high impact tutoring sessions at the time and quantity that works for them.

Organization Description:

BookNook has demonstrated the capacity to design and directly manage any size HIT program. From our initial conversations, we will guide your team to building the right program for your students' needs. Our proven results showcase students seeing nearly 2x reading growth between fall and winter assessments compared to their peers who had not received BookNook tutoring.
